Vendome Press,U.S., United States, 2013. Hardback. Book Condition: New. 312 x 264 mm. Language: English . Brand New Book. Interior designer Howard Slatkin, founder of the iconic home-fragrance and lifestyle brand Slatkin Co., is renowned for combining a keen appreciation of beauty with practical know-how. Now, in this gorgeously illustrated book, he opens the doors of his legendary Fifth Avenue apartment and invites you to accompany him on an intimate tour. Along the way he shares his practical and often ingenious methods for creating uniquely personal rooms, shows you how to make them comfortable and functional as well as beautiful, and reveals his secrets to entertaining with ease and flair. Photographer Tria Giovan s exceptional photography reveals how Howard Slatkin s apartment and any home can achieve a level of sophisticated calm through careful lighting and floor planning, clever arrangement of furniture, and decorative display of personal collections of family photographs and objects. Drawing upon twenty-five years as a leading designer and tastemaker, Howard Slatkin shows how rooms should flow naturally, how to create an intimate feeling, and how to find imaginative solutions for turning awkward spaces and limitations into assets. In Howard Slatkin s hands, a simple length of rope is transformed into a decorative molding, a claustrophobic passageway becomes home to a collection of blue-and-white porcelains, a kitchen evolves into a room fit for a St. Petersburg palace, and a living room turns into an exotic aviary of multihued birds.
