HarperCollins Publishers Inc, United States, 2004. Paperback. Book Condition: New. Reprint. 170 x 107 mm. Language: English . Brand New Book. One would never guess to look at suburbanite homemaker Jane Jeffry that she would be interested in murder, but she s practically an expert on the subject. Which is why, with best buddy Shelley Nowack in tow, Jane s booking down to a nearby mystery writers convention to mingle with the agents, publishing bigwigs, and famous authors . and to maybe drum up interest in her own recently completed manuscript. But what would a mystery convention be without a mystery? So when a famous ego-squashing editor is undone by an anonymous poisoner, and a much hated book-bashing journalist is himself bashed quite nastily in the parking lot, Jane and Shelley jump right on the case, ready to snoop, eavesdrop, and gossip their way to a solution. But the would-be killer they seek is no open book. And trying to read him/her/them may turn out to be harder -- and deadlier -- than anyone initially imagined.
