Author & military history enthusiast William Gray did a superb job with this well-researched and meticulously laid out book. He went through contemporary official documents, reports and master lists to provide the most complete account ever published of the nature and extent of the participation of the people of Upper Canada in the War of 1812. The contribution of the loyal element, which was a large percent of the population at the time, was significant, and proved vital to the ultimate success of the forces of the Crown. An insightful overview of the War of 1812, as well as a comprehensive guide to the militia corps active during that war, and a nominal list of he commissioned officers, the men who volunteered to serve, and as many of the casualties as could be traced; (please be aware for anyone trying to trace ancestors, that there were No *complete* government records kept back in that chaotic time.)
