GOD AND THE AMERICAN WRITER

[DOWNLOAD](#)

Vintage. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.0in. x 5.2in. x 0.7in. God and the American Writer does more to illuminate the fundamental purposes and motivations of our greatest writers from Hawthorne to Faulkner than any study I have read in the past fifty-five years--that is, since the same authors *On Native Grounds*. --Louis S. Auchincloss This is the culminating work of the finest living critic of American literature. Alfred Kazin brings a lifetime of thought and reading to the triumphant elucidation of his fascinating and slippery subjects: what the meaning of God has been for American writers, and how those writers, from the New England Calvinists to William Faulkner, have expressed it. In a series of trenchant critical studies of writers as divergent as Hawthorne, Melville, Emerson, Lincoln, Whitman, Dickinson, Twain, William James, Eliot, Frost, and Faulkner, Kazin gives a profound sense of each, and his quotations from their works are artfully chosen to pursue the main theme. The centerpiece of the book is the reflection in American writing of the great American tragedy, the Civil War--so deeply involved in the whole complex issue of religion in America. An enthralling book by a major writer. This is a book about the place of God in the imaginative life of a country that for two centuries countenanced slavery and then engaged in a fratricidal war to end it. For Americans no subject is more compelling or, in its entanglement with the deepest roots of the national soul, more terrible. And no one has ever written as incisively, as movingly, or as unforgivingly about it as Alfred Kazin has here. --Louis Menand In the era of willful obfuscation, Alfred Kazin is the good, clear word, a brilliant scholar and an original reader. His latest book, *God and the American Writer*, which comes...
