Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Balboa Press, United States, 2014. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****. Warning: this book is NOT a new-age self-help softy. Perhaps it s the subject that initially enchanted me. I personally wish I had thought of having a Conversation with MY Womb! Giuditta Tornetta did think of it, and she rendered her trailblazing idea into a book that is at once practical, and a wildly esoteric page-turner. -Midwife Robin Lim, 2011 CNN Hero, International Alexander Langer Award Recipient. Conversations with the Womb is a guide back to yourself. It is time for this material to inspire and influence today s woman. -Kelly Brogan MD, Holistic Women s Health. Conversations with the Womb is a treasure. A perfect way to connect with the profound wisdom we all carry inside. -Christiane Northrup, M.D., ob/gyn physician and author of the New York Times bestsellers: Women s Bodies, Women s Wisdom and The Wisdom of Menopause. Often referred to as the well-spring of creation, the womb is the epicenter of a woman s relationship to the divine. Conversations With the Womb is a provocative rediscovery of ancient feminine power. Using the Nine Chakras of Creation as a road map to transforming one s personal history, women are encouraged to begin a profound and ongoing conversation with their most primal organ. Unburdened by their histories the immense creative force within the womb can be harnessed to manifest our heart s desire.
