East of the Mountains

By Guterson, David.

Vintage. 1 Paperback(s), 2003. soft. Book Condition: New. When he discovers that he has terminal cancer, widower and retired heart surgeon Ben Givens refuses to simply sit back and wait, in David Guterson's second novel (following the PEN/Faulkner Award winner *Snow Falling on Cedars*). Instead, Ben takes his two dogs and goes on one last hunt into the valleys of the Columbia River where he was born, determined to end his life on his own terms. But the people he meets, and the memories that surface of his childhood, his father, his wife Rachel, and their time in World War II remind him of the mystery of life's endurance, and his trek into the mountains becomes much more than a final journey. "Washington State will never have a more loving chronicler than Guterson, a life-long Seattleite who names every tree and evokes, with arresting grandeur, the sound of a coyote's distant howl, or a boy's delight in rivers and horses." Pico Iyer 277.

It is easy in study safer to comprehend. It can be writter in basic phrases and never confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.
