Reviews

If you need to adding benefit, a must buy book. It is really simplified but excitement from the 50 percent of your book. I discovered this book from my dad and i recommended this book to understand.

(Dorothy Sawayn)

BYE, BYE, MOTABHAI!

Yali Books, United States, 2013. Paperback. Book Condition: New. Ambika Sambasivan (illustrator). 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you ever think of your future - dream about becoming an astronaut, a surgeon or a wildlife photographer? What if animals too have such ambitions? What if a rhesus monkey wishes to be a school bus driver or a hard-working donkey wants to be a movie star? Just imagine what they would do to get what they want! Pavan, an over-worked camel in the city of Ahmedabad, India, hates his job. He often dreams of being a racing camel in Dubai. But hitched to a heavy vegetable cart and with his owner Motabhai around, how is this possible? One day, Pavan finds a way to escape with a little help from some kind-hearted children. He makes a mad dash through the city along with Bijilee, a dhobi s donkey whom he befriends on the way. Can you imagine the riot that this pair causes in the narrow, bustling streets of old Ahmedabad, as they race past its historic monuments, with Motabhai, an auto-driver, a policeman and a washerwoman hot on their trail?.
