BRAND NEW, Multinational Agribusinesses, Ruth Rama, Stay a step ahead of the global competition in food and fiber production, processing, and sales! Multinational Agribusinesses is an essential guide to the inner workings of companies with direct investments in the food and fiber system in the United States and the world. The book provides in-depth and up-to-date analysis of the crucial issues facing multinational enterprises involved in input and output supply activities, commodity investment, food manufacturing, and food distribution.
