

Absolute Beginners Origami: The Simple Three-Stage Guide to Creating Expert Origami

By Nick Robinson

Watson-Guption Publications. Paperback. Book Condition: New. Paperback. 96 pages. Dimensions: 10.9in. x 8.0in. x 0.3in. Foolproof origami now in paperback! More than 30,000 copies sold. Love origami, but frightened off by those strange dotted lines and shaded areas that make it seem like a bizarre geometry exercise? Absolute Beginners Origami calms those fears, using a remarkable three-step system and step-by-step full-color photos to guide readers into the basics of folding, through intermediate steps, and on to putting it all together to make real origami. Twenty enchanting designs are presented in three easy-to-follow stages: first, bases and folds. Next, combining bases and folds and learning to interpret those line drawings. Finally, learning to fold origami paper into real, elegant origami animals and objects: butterflies, swans, dogs, and more! By the end of the book, readers will understand how to read those line drawings and explore the wonderful world of origami with excitement and confidence. Color photos and clear three-step method make anyone into a folding fool. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.
