PAUL MOREL

Oneworld. 1 Paperback(s), 2009. soft. Book Condition: New. This early version of D.H. Lawrence's autobiographical novel *Sons and Lovers* remained unpublished until 2003. Of all the surviving drafts of Lawrence's works, this one is the most different from the final version, and as he re-wrote the novel he discarded many episodesome of them stories from his childhood not recorded anywhere else. Less polished, but full of powerful, spontaneous, dramatic writing, it displays more humor and charmand more raw violence and nervous energythan his more famous later works. This volume also contains remarkable documents written by Lawrence's girlfriend Jessie Chambers, the model for Miriam in both versions of the novel, in which she gives Lawrence some hostile criticisms and writes out her own versions of some of his episodes. Here too are photos of Lawrence's family, a facsimile of a manuscript page, notes, a biography placing Lawrence's works in the context of his life, and a fragment of an unfinished novel, *Matilda*. 260.
