Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

(Mrs. Jacquelyn Gutmann)

THE MEANINGS OF DEATH

Cambridge University Press, New Delhi, India, 1993. Paperback. Book Condition: New. First Edition. In *The Meanings of Death*, John Bowker offers a major contribution to debates about the value of death and its place in both Western and Eastern religions. Examining the themes of friendship and sacrifice in the world's major religions, Bowker argues that there are points of vital contact with secular understandings of death, and that religious and secular attitudes can support and reinforce one another. An affirmative recovery of the value of death is important in our response to bereavement, and in the treatment of the terminally ill. By indicating how value can be maintained at the limit of life, without a search for illusory compensation in an afterlife beyond it, Bowker enriches our experience and understanding of the final question in a way which is always sensitive and often moving. Printed Pages: 257.
