

Save Twilight: Selected Poems: Pocket Poets

Filesize: 7.08 MB

Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

(Stefan Von)

SAVE TWILIGHT: SELECTED POEMS: POCKET POETS

City Lights Books, United States, 2016. Paperback. Book Condition: New. 2nd Revised edition. 159 x 127 mm. Language: English . Brand New Book. World-renowned as one of the masters of modern fiction, Julio Cortazar was also a prolific poet who, in his final months in Paris, assembled his life's work in verse. This new, expanded edition of *Save Twilight*, with over twenty-five newly translated poems, is a distillation of Cortazar's selection, a bilingual survey of his poetry ranging through various voices, moods, and styles. From free verse to fixed forms, the intimately lyrical to the social-historical, Cortazar is revealed as a virtuoso stylist and a poet of intense personal passion, yet also typical of his works in prose as a subverter of genres in his playful approach to the book as literary artifact. In *Save Twilight*, the author interrupts the high seriousness of poetic art with interludes of earnestly irreverent commentary on the process of selection, turning this volume of collected verse into a game in which the reader is invited to participate as editor-in-progress. The power of eros, the enduring beauty of art, and the tragic folly of politics are some of the recurrent themes. Informed by his immersion in world literature, music, art, and history, but most of all his own emotional geography, Cortazar's poetry traces his paradoxical evolution from provincial Argentinian sophisticate to cosmopolitan Parisian romantic, always maintaining the sense of astonishment of an artist surprised by life. With this expanded edition of *Save Twilight*, Stephen Kessler continues his project, begun in the 1980s, of translating poetry by Julio Cortazar. Widely known for his fiction, especially *Hopscotch*, a seminal work of the Latin American Boom, Cortazar was also a compelling poet. Kessler has found just the right turns of phrase in English to capture the Argentine's deeply...
