

Accounting

By Peter J. Eisen

Barron s Educational Series Inc.,U.S., United States, 2013.
 Paperback. Book Condition: New. 6th edition. 226 x 150 mm.
 Language: English . Brand New Book. Like the other titles in
 Barron s Business Review Series, the new sixth edition of
 Accounting makes a useful supplement to college textbooks, and
 is also excellent as a main text in business brush-up programs.
 Author Peter J. Eisen familiarizes students with key accounting
 terms, explains the accounting equation, and goes on to instruct
 in the use and preparation of financial statements, the recording
 of business transactions in journals, and in closing and adjusting
 entries at the end of a business period. The book is organized to
 closely follow a standard college textbook, but concentrates on
 student understanding of what is done, and, more importantly,
 how and why. Other helpful features include-- Review
 questionsComputational problems with complete detailed
 solutions presented when appropriateAdditional problems to
 reinforce the reader s knowledgeAn extensive glossary of
 accounting terms. New features in this edition include
 instruction in the use of spreadsheets to solve many accounting
 problems, a more detailed explanation of accounting data
 procedures as internal controls designed to safeguard assets,
 and extensive commentary on business ethics.
