Side-Effects of Anti-Inflammatory Drugs

By Rainsford, Kim D. / Velo, G. P.

Book Condition: New. Publisher/Verlag: Springer Netherlands | Part Two Studies in Major Organ Systems | These two volumes contain the proceedings of a 3 day international meeting held at the University of Cambridge and Queens' College Cambridge from 31st July to 2nd August 1985 on the Side-Effects of Anti-Inflammatory Analgesic Drugs. The first meeting was held in Verona, (Italy) in 1982 and the organisers felt that, with a number of recent developments including the withdrawal of a number of new anti-inflammatory drugs, and concern being expressed in the lay and specialist medical press and other media about the safety of these drugs, that it was appropriate to have a second such meeting. The meeting was attended by some 300 delegates and the discussion focussed most intently on the recent issues, . e. g. the value of adverse drug reaction reporting of the non-steroidal anti-inflammatory (NSAI) drugs, certain side-effects associated with particular NSAI drugs, the predictive value of animal models etc. Organising a meeting de novo without outside help would not have been possible without the immensely valuable help given enthusiastically by people and financial assistance given most generously by those pharmaceutical companies listed below. These...
