The Elements of Mystery Fiction

By William G. Tapply

Poisoned Pen Press, United States, 2004. Paperback. Book Condition: New. 2nd Revised edition. 213 x 140 mm. Language: English Brand New Book. The Elements of Mystery Fiction: Writing the Modern Whonunit has guided and inspired mystery writers veterans as well as beginners-- for nearly a decade. Here William G. Tapply, with more than 20 popular mystery and suspense novels under his belt, isolates the crucial elements of the mystery novels that publishers want to publish and readers want to read--original plots, clever clues, sympathetic sleuths, memorable villains, multi-dimensional supporting characters, true-to-life settings, sharp narrative hooks, and, of course, smooth writing. In clear readable prose using examples from many of our best contemporary mystery novelists, Tapply shows how the writer can create the pieces and fit them together to make a story you can't put down. This new expanded edition of Elements contains original chapters by some of our best contemporary writers and most prominent personalities in the publishing world discussing writing and business issues that are vital to mystery writers in the 21st century.
