Cambridge University Press. Paperback. Book Condition: new. BRAND NEW, Quantum Physics: Illusion or Reality? (2nd Revised edition), Alastair I. M. Rae, Quantum physics is believed to be the fundamental theory underlying our understanding of the physical universe. However, it is based on concepts and principles that have always been difficult to understand and controversial in their interpretation. This book aims to explain these issues using a minimum of technical language and mathematics. After a brief introduction to the ideas of...
