CELL PHONES AND THE DARK DECEPTION: FIND OUT WHAT YOU'RE NOT BEING TOLD.AND WHY

[DOWNLOAD](#)

Premier Advantage Publishing. Paperback. Book Condition: New. Paperback. 180 pages. Cell Phones and The Dark Deception is a powerful, heavily referenced, easy-to-understand non-fiction book that scrutinizes the evidence around the lingering question: Are Cell Phones Really Safe Prompted by a growing hunch, following years of an incessant influx of seemingly unrelated health disorders experienced by her late husband, author Carleigh Cooper began an exhaustive study researching the effects of electromagnetic radiation on the human body. Steve had spent 16 years building power microwave amplifiers for cell tower base stations and prior to his tragic death at age 48, he was diagnosed with toxic encephalopathy: brain damage due to carcinogenic exposure, with a prognosis of brain tumor cancer. There seemed to be a direct correlation between his myriad of symptoms and his years of microwave radiation exposure. Research proved there was. By incorporating pieces of her own personal story with numerous scientific references, Cell Phones and The Dark Deception becomes a distinctively moving annex that not only identifies a serious problem that cell phone users have a right to be aware of, but one that brings the potential outcome of its effect into a painful reality. From the beginning, Carleigh's genuine sincerity and unreserved narrative will engage you and capture your heart, making this informative book difficult to put down. Cell Phones and The Dark Deception was the first publication ever written to reveal the true nature of the cell phone industry, to expose startling secrets from industry insiders, to disclose serious and unknown health risks, to release the most comprehensive collection of alarming scientific reports and facts that prove adverse health effects from radio frequency microwave radiation exposure, to identify various cell towers and inform the public of their physical impact on the human body, and to divulge the numerous deceptions...
