Tate. 1 Paperback(s), 2004. soft. Book Condition: New. Associated with the Young British Artists group, Michael Landy is best known for his 2001 performance art piece Break Down, during which he created a meticulous inventory of his possessions before systematically destroying them in the window of an empty London department store. In their essays, Judith Nesbitt and John Slyce discuss the making of this extraordinary opus and its relationship to Landy's other works. 79.
