DELEGITIMIZING AL-QAEDA: A JIHAD-REALIST APPROACH

[DOWNLOAD](#)

Bibliogov, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Disrupting, dismantling, and ultimately defeating al-Qaeda based and inspired terrorism is a declared policy of the U.S. Government. Three key strategic objectives have been identified for accomplishing this: attacking al-Qaeda's terror network, undermining radicalization and recruitment, and hardening homeland defense. The present monograph proposes a distinct jihad-realist approach for undermining radicalization and recruitment to al-Qaeda. First, a brief discussion of six means for ending terrorist organizations is provided. Second, the premises of a jihad-realist approach are described. Third, a jihad-realist shari'a case against al-Qaeda's terrorism is presented. In conclusion, key assertions are summarized, and several specific policy recommendations offered for national security personnel charged with formulating and executing counterterrorist messaging strategy.
