---

By Nagi Mysore

CreateSpace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 36 pages. This is a fun facts and puzzles book about animals for kids aged 6-10. Its in a multiple choice questions format covering about 30 of the most common wild animals and about 130 plus questions. On each page to the right is pictures of the animals and some fun facts that make it an interesting read. The objective is to teach children things about animals while making it interesting. Most kids do not like reading factual information about animals or it holds interest only to a certain degree. In writing this book, all the questions were field tested on my kid aged 8 and some of his friends to make sure that the questions were relavent to hold their interests. My kid had very definitive inputs on what to include and exclude. The sidebar with pictures and information were all approved by my kid. We had a ton of fun writing the book and my kid and his friends enjoyed solving the questions. One other hope is to have kids attuned to MCQ formats and reasoning. Some of the questions have simple answer, some deductive through...
